CAMERATA
MUSIC COLLECTIVE

From the first notes of the processional to the hum of cocktail hour, live strings give a celebration a warmth and elegance guests remember. We arrange the music around your moments — a custom version of a meaningful song for the walk down the aisle, favourites reimagined for strings during cocktails — and we rehearse to your run-of-show so every cue lands.

Ceremony

1 musician — *from \$600* A soloist — for example, solo cello or violin: prelude, processional, signing, and recessional.

2 musicians — *from \$1,100* A duo — for example, violin & cello — melody and accompaniment, a fuller presence.

3 musicians — *from \$1,500* A trio — for example, a string trio of violin, viola, and cello — a richer, layered sound.

4 musicians — *from \$2,000* A string quartet — the full, rich ensemble for larger ceremonies and grand spaces.
